Season greetings families!

This is my favorite month of the year! There is so much to do, learn, explore and experiment with this holiday season. This month we will learn and focus on the birth of Jesus, Christmas traditions and so much more. We will also celebrate Jesus' birthday with a party. More information to follow. We will end this year in our classroom with joy, laughter and so much love. Thank you to my families for your continued support and participation. I wish you all a blessed holiday season and a very Merry Christmas and a Happy New Year.
