

News and Notes

Give thanks to the God of heaven, for his steadfast love endures forever. Psalm 136:26

We would love donations of Kleenex, coffee creamer, and paper towels.

Brightwheel is working well for the most part all though there are a few glitches that we hope will be worked out soon.

The QR Sign In and Out has still been a challenge at times. We believe is that this is in part to not getting solid internet in the building. The plan is use BW at all times possible, and resort to the full signature / times for both in and out on paper when BW is not an option.

As far as **pictures** go we are not sending many at this time. As you know Ms. Jackie wears many hats and is not free much of the time. As we continue to hire more staff her time will slowly be freed and she will be able to add pictures most days.

Lastly, nearly everyone is **paying** on the BW app. If you do not want to use BW and prefer Zelle you can do that too.

Thank you for your patience and understanding

A big Welcome to Ms. Alexis who joined us early January and to Diane who started this week! We also greatly appreciate our subs. Let's all show how much we appreciate all of our wonderful staff.

In December we

Thanked You for choosing JUMP Preschool. But we want to do it again. **THANK YOU** to each of our wonderful families!

We also let you know that we had openings and asked you to spread the word, and you did! We are just about full in all the classrooms.

Now we'd love to ask for you to please spread the word that we are in search of a few *amazing preschool teachers*.

Calendar of Special Days and Holidays

Valentines class parties will be on Tuesday February 14th. Each teacher will have a sign up sheet and information about the class parties.

No school on Monday February 20th in honor of President's Day.

REMINDER of our Illness Policy: Please remember that cold and flu symptoms mean 24 hours at home with no school. Runny nose, cough, fever, vomiting, eye redness with discharge, and any form of rash are all typically contagious. Please help us to stay healthy and break the cycle of colds and flus moving about the preschool. Remember a Dr. note to return is required on some occasions. We greatly appreciate your help to keep JUMP Preschool healthy place.
