

JUMP Preschool Inc. & Kindergarten Parent Handbook

The JUMP Preschool & K Mission Statement: To reach the highest level of early childhood excellence in our preschool setting on a daily basis, in order to glorify God, doing so by providing children and families with a nurturing, learning and happy preschool while children are away from home.

The JUMP Preschool & K Philosophy: We believe that at JUMP preschool, we as the staff are to carry out the will of God in all we do to lovingly care for His youngest. We believe that childhood is a sacred time in life. We believe that a daily conscious understanding and awareness of this fact must be the basis of our day to day interactions with our preschoolers. Providing creative and limitless opportunities for learning is the adults role in the JUMP Preschool program. We believe that children are growing and developing in many areas. For that reason learning opportunities are designed for the whole child, preparing them socially, emotionally, physically, academically, and spiritually for a well balanced life and love of learning. We are an academic program meeting the cognitive development of our preschoolers to prepare for success in their future education, with literacy as our focus. We are a child centered program meeting the daily social, emotional, and physical needs of our preschoolers. We strive to provide a welcoming, warm, safe, and loving setting with opportunities to develop skills in all of these areas. We are a Christian preschool, meeting the spiritual needs of our preschoolers as we include; Bible stories, children's songs of praise and our two daily prayers, the Meal Time and Play Time prayers. It is our mission to operate for the glory of God.
