Kindergarten Program: age 5 years by December 1st

Schedule Options: M-F any hours needed between 6:30-5:30

M-F 8:30-2:30

Arrival times:

Please arrive by 8:30am. If your child is enrolled in the full day option you can arrive anytime between 6:30-8:30.

Because we are an academic program we have a schedule that we follow every day. We are not a drop off at any hour type of program. Children being dropped off at all times will miss important parts of the day. The arrival process sets the stage for a complete and successful day. It can also be disturbing to the flow of the class when children arrive during activities that pull the teacher from her attention with the class.

Our policy for morning arrival:

Children will not be accepted after 9:30. We will assume that your child will not be in attendance that day if they do not arrive by 9:30. We apologize in advance -teachers will not accept you child after 9:30. If they have a doctor or other appointment call the office to make arrangements.

Schedule Changes:

A two week emailed notice is required to make sure we have adequate staff to child ratios for all desired changes to your scheduled enrollment. Changing schedule options will be accommodated if possible.

Moving To The Next Class:

Changing from Infant Center to Toddler Program and from Toddler Program to Preschool Program, graduating from the Preschool Program to the Transitional kindergarten and Kindergarten programs:

We operate on school year schedule starting the first week of September and continuing to Mid June. All children in the preschool and TK /K classes will remain in the class that they start the year (or at their individual enrollment —if they did not start at the first of the school year) until either the **start** of our summer program or **anytime a spot opens up** for them to move into the next class, but all children will move into the next class before the new school year starts.

The only groups of children to move based on age is the infants who move to the toddler class when they turn 18 months and the toddlers who move into the preschool program at either 2 or 2.5.
